Clients Perspectives

How do you know when your clients appreciate your good work and enthusiasm? When nine out of 10 of them are repeat customers—and they refer their friends and colleagues!

"A-mazing Events is an extension of our company's beliefs and values. The entire event was a huge success! We look forward to our continued partnership and working with you in the future! A BIG thank you for making our event special and memorable!"

~ Amerequip Corporation

"A-mazing Events was very attentive to all our needs and made helpful suggestions through-out our planning process that allowed our event to be everything we hoped for. I would not hesitate to use them again or highly recommend them as an event organizer to a colleague or friend."

~ Voices of Men

"A-mazing Events took ownership of the event and became a great extension of our staff. Great communication and flawless execution, who wouldn't want their company represented by A-mazing Events?"

~ First Business Bank

Registration Services

Your flawless event begins with a flawless registration and welcome process. A-mazing Events is equipped and experienced to facilitate customized online and on-site event registration protocols that flow smoothly, collect payments efficiently, and warmly welcome participants and guests.

Call on us to register guests at your intimate company holiday party, a gala fundraising event with sponsorship tables, or a 900-person conference with multiple breakout sessions. We flex to meet your needs and customize every step of the process to reinforce your brand and gather crucial registrant data.

Customized registration page branded to your specific event

"A-mazing Events managed to accommodate over 1,000 attendees, a host of program presenters, event sponsors, vendors, and registration dynamics and they did it with professional attention to detail.

The key measure of our event success this year is that – to our audiences it looked easy. A-mazing Events was a great addition to the team."

~Jerry Murphy, New North

Destination Management

Save time and money when you hire professionals to research, negotiate, and plan on your behalf. A-mazing Events staff prioritizes your specific objectives and your budget when representing you to reputable local vendors and attractions.

We welcome your group to Green Bay, Appleton, Oshkosh, and all of East Central Wisconsin with warmth and professionalism. We are your go-to team for researching venues, planning outings, arranging transportation, and choosing menus.

"I would like to compliment you for the exceptionally professional job you did on scheduling, logistics and arrangements for the recent visit of Chinese delegates sponsored by the Environment & Public Health Network for Chinese Students and Scholars. Things like flags, table decorations and a menu that honors the dietary customs of visitors are big issues and you nailed them all. Please accept my congratulations on a job well done for New North and the State of Wisconsin."

~Jeff Smoller, Multi-State Working Group
